

Ocean Township Bicycle and Pedestrian Network Plan

Public Meeting

Thursday, August 19, 2010
Stop by anytime between 4-8 PM

Ocean Town Hall
First Floor Meeting Room
399 Monmouth Road
Oakhurst, NJ 07755

Project Overview:

Ocean Township's vision is to "achieve an Active Transit Network of bicycle and pedestrian pathways that are handicapped-accessible and provide safe, secure, reliable, and healthy access to parks, schools, places of worship, public transportation, governmental offices, and business districts within and around Ocean Township." The **Ocean Township Bicycle and Pedestrian Network Plan** will help to achieve this vision by developing a prioritized network of conceptual pedestrian and bicycle routes with the goal of improving safety and circulation for non-motorized modes of transportation. Your participation and input are vital to a successful project, so please come and invite your neighbors!
