

O A LOOK AT CEAN

VOLUME 28 NO. 2 FALL/WINTER 2009/2010 A NEWSLETTER OF THE TOWNSHIP OF OCEAN IN THE COUNTY OF MONMOUTH

Township Considering More Changes To Its Solid Waste Collection Operations

In January 2009, the Township changed its recycling collection procedure so that both paper and commingled recyclables are collected on the same day. Previously, these materials were picked up on separate days and the Township had two full-time employees dedicated exclusively to the collection of paper recyclables. As a result of this change, the Township was able to eliminate the paper recycling route, which has resulted in an annual cost savings of approximately \$140,000.

In an effort to further reduce costs, the Township is again considering the implementation of an automated garbage collection system. Although an automated system would eliminate back-yard pick-up (this service would still be provided to those who can demonstrate a need) and reduce garbage collection from twice a week to once a week, it would provide for weekly recycling collection as well as weekly collection of containerized brush. In addition, bulk items would be collected once a month and metal once a quarter by appointment.

Under the current proposal, each residence would be provided with two containers at no cost – one for garbage and one for recycling. A third container can be purchased and used as a second container for either garbage or recycling or as a brush container. Brush will be collected at the same time as regular garbage, either in a separate container or in the regular garbage container, provided there is sufficient capacity. By offering containerized brush collection on a weekly basis the Township can curtail its non-

containerized brush collection program and significantly reduce the overall cost of collecting brush.

Also, as part of the automation process the Township is considering the development of a “rewards program” for its curbside recycling program. The rewards program will create an incentive for residents to recycle by providing them with points that can be redeemed at a wide variety of local and national retailers. Under the program the free recycling container that is issued to each residence will have a computer (RFID) chip imbedded in it. The chip is then scanned each time it is collected at the curb by the automated truck. After each collection the participation data is uploaded to a website where residents can track their recycling activity and find out how many rewards points they have earned. Once fully operational, it is anticipated that the rewards program will significantly increase the amount of recyclable material collected from each household. In fact, it is estimated that the annual amount of material collected from each household will increase from 572 lbs. per year to 972 lbs., an increase of nearly 70%. By diverting this material from the landfill to a recycling facility, the Township is expected to save nearly \$125,000 annually.

The Township anticipates implementing the new automated collection system and recycling rewards program in April 2010. If you have any questions concerning the proposed changes please contact the Township Manager, Andrew Brannen, at 732-531-5000 x 310 or at abrannen@oceantwp.org.

TOWNSHIP OF OCEAN INAUGURAL MAYOR'S CHARITY BALL

Venetian Masquerade

SATURDAY, OCTOBER 24, 2009 • THE RENAISSANCE, OCEAN TWP.

honoring

DR. CARL MARCHETTI

Mayor's Lifetime Achievement Award

WEGMAN'S FOOD MARKET

Mayor's Community Service Award

PHYLLIS FYFE

Mayor's Public Employee of the Year Award

TICKETS ARE \$100/PERSON AND EVENING INCLUDES DINNER, DANCING, SILENT AUCTION AND MUSICAL ENTERTAINMENT BY THE JAZZ LOBSTERS.

All proceeds benefit the Ocean Township Historical Museum.

For more information about tickets and/or sponsorship opportunities, please call (732) 531-2600.

Library TLC

Approximately a year ago, representatives of the Ocean Township Garden Club, the Township of Ocean Historical Museum and the Departments of Human Services and Public Works met to discuss the possibility of enhancing the property referred to as the library complex. There exists an opportunity to improve the area surrounding the new library with plants that would complement the building and provide ecological benefits such as stormwater management, shade, and biodiversity. With the assistance and support of Mayor William Larkin, the Ocean Township Garden Club has created the TLC Project. While the goal of the project is

to bestow some much needed T-L-C, the letters simply stand for the Township Library Complex. The strategy is to implement a professional landscape plan in increments as our fundraising allows. Right now this plan centers on the library building, but in the future may expand to include other areas of the property.

We welcome participation and support from any interested businesses, community groups or individuals. Watch for details regarding a meeting to kickoff the project. For further information contact Laurel at 732-310-1107.

Township of Ocean Historical Museum

During this past spring, the Museum moved from its former location at the Oakhurst School to the newly restored Eden Woolley House on Deal Road in the Library complex. Eden Woolley and his ancestors would have been truly proud of their old homestead, newly restored, draped in bunting, at a long anticipated Grand Opening this past July. The house looked spectacular both inside and out as our Mayor and Museum President cut the large white ribbon and the waiting crowd flowed into the building.

The rooms of the first floor of the Woolley House are gallery space. Two of the rooms house permanent exhibits which are updated regularly. A third features changing exhibits. The second floor will house a research library, an office and file room, a conference room, a quilter's room, a workroom and some storage areas.

The Museum's new hours are:

Tuesday and Wednesday, 1 to 4 p.m.

Thursday, 1 to 4 and 7 to 9 p.m.

First Sunday of each month, 1 to 4 p.m.

Additional tour guides would allow the Museum to open additional Sunday afternoons in the near future. Training is provided. Please consider giving a little of your time to this new, exciting project.

COMING EVENTS:

September 13: Second Annual Ice Cream Social and Woolley House Tours with Historic Characters. Woolley House Grounds and House. 1:00 to 4:00 P.M.

October 24: Mayor's Venetian Masquerade Ball at the Renaissance, Ocean Township. This is a benefit for the Museum.

October 25: Ghost Walk and Ghost Stories – Begins at the Eden Woolley House at 4:30 p.m. Walk with us and meet the ghosts of Ocean's past – Blacksmith Marcus Coon, Peg-Leg Dangler, Eden Woolley's daughters, the Playhouse's Rosemary Ryan, and more. Encounter a spirit at the Mysterious Tower behind the Museum. Sit in the comfort of the Library's Turner Gallery and hear ghost stories by Edgar Allan Poe.

December 5 and 6: Holiday weekend at the Woolley House. Quilt raffle at 3 P.M. Sunday.

For more information go to

www.oceanmuseum.org or call 732-531-2136.

Township of Ocean Community Celebration Committee FALL FEST

The Township of Ocean Fall Fest will be held on Saturday, September 26, 2009, with a raindate September 27. The events commence at 10:00 a.m. and include a craft and vendor show, community organization displays, food and entertainment. For the children, there will be a coloring contest, spin art, inflatable rides, a clown and entertainment by Sax Man Dan. In addition, you can participate in the Parent / Child Tennis Tournament.

For the adults, a Chili Tasting Contest adds a treat to the festivities along with a Classic Car Show. As always, the Fall Fest kicks off Fire Prevention Month with a presentation by the Fire Department.

For information, please contact the following:

Chili contest: Prya Mattson, 732-493-5099

Coloring contest: Laurie McGrath, 732-531-5000 X 364

Tennis tournament: Stu Chavis, 732-531-3773

Classic car show: Ed DeVito, 732-922-9083

All other events: Margo Simpson, 732-531-5000 X 351

The Fall Fest is sponsored by:

Middlebrook at Monmouth and Ray Catena Lexus of Monmouth.

Recycling & Collections Guide – Fall/Winter 2009

RECYCLING & BULK COLLECTION SCHEDULE

Ocean Township Sanitation Department collects all recyclables, bottles, glass, plastic, tin, aluminum, newspaper, mixed paper, cardboard and bulk trash on selected Wednesdays.

Garbage collection days will not change.

If your household garbage is collected on **Monday & Thursday**, recyclables and bulk trash will be collected on the **first and third Wednesday of each month**

If your household garbage is collected on **Tuesday and Friday**, recyclables and bulk trash will be collected on the **second and fourth Wednesday of each month.**

Metal & Appliances will be collected 4 times a year – on the 5th Wednesday of the month by appointment only - refer to Metal & Appliances

All recyclables, bulk trash, metal and garbage must be placed at the curb line **AFTER** 6:00 p.m. the day before collection or **BEFORE** 6:00 a.m. the day of collection.

Empty garbage cans must be removed from the curb by 8:00 a.m. the day after collection.

COMINGLED BOTTLES AND CANS

COMINGLED: Aluminum Cans Tin Cans Glass Bottles & Jars

Plastic Bottles Symbols are located on the bottom of the container: symbols #1-**with screw tops only**, #2-narrow neck containers (milk, water, soda, detergent, shampoo); Narrow and screw top containers with symbols #3, #4, #5, #6, & #7. Remove all caps from all plastic bottles.

NEWSPAPERS

PAPER: Newspapers and inserts, magazines, catalogs, cereal boxes, telephone books, printer and copier paper, mail and all other office papers, corrugated cardboard, tissue, cookie, pasta, & cracker boxes, greeting cards, paper towel & toilet paper cores.

MIXED PAPER

HOW: Co-mingled: Rinse all containers, place at the curb line in an uncovered garbage can, no larger than 45 gallons; weight Limit: 50 pounds.

Paper: Place **ALL** paper in an uncovered plastic bin with a weight on top, 45 gallon garbage can or securely tied into bundles. There is a 50 pound limit on each container/bundle. Cardboard may be flattened and tied. **Do NOT place items in bags!** Only Shredded paper must be set out in sealed **clear plastic bags** with paper.

SHREDDED PAPER

NOT RECYCLABLE, place in regular garbage:

Glass - dishes, drinking glasses, ceramics, mirrors, light bulbs, ovenware (Pyrex), windows and clay pots.

Aluminum - pie plates, kitchen pots and pans, foil and baking pans:

Tin - paint cans, aerosol cans, kitchen pots and pans:

Plastic - flower pots, margarine tubs, salad trays, baby wipe tubs, Tupper ware-type containers, sour cream and yogurt containers, any Styrofoam products, flash lights or any containers that have held motor oil or antifreeze.

Paper - carbon paper, blueprints, plastic or wax coated paper, paper towels, paper napkins, tissues, food contaminated paper (ex: pizza boxes.)

CORRUGATED CARDBOARD

METALS & APPLIANCES

Township will pick up these items curbside **by appointment**. The collection dates are: September 30, 2009, December 30, 2009 and March 31, 2010. Residents must call 732-531-5000, ext. 362 or 363 to be placed on pick up list.

Large metal items include swing sets, lawn furniture, bikes, lawn mowers (remove gas, oil & spark plug), tire rims, cabinets, shelving and fencing. Pieces must not be longer than 4 ft. in length. All metal must be free of concrete. Small metal items like curtain rods and toaster ovens should be set out with garbage. Refer to **GARBAGE**.

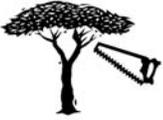

DO NOT place any material at the curb line until 6 p.m. the night before your scheduled pick up date

Refrigerators, Freezers, AC units, dehumidifiers & water coolers must be free of Freon. Federal regulations require residents to supply certification that Freon has been removed before appointment for collection can be made.

PROPANE TANKS are not picked up by the Township. Refer to HAZARDOUS WASTE.

<p>HOUSEHOLD BATTERIES</p> 	<p>WHAT: Batteries (Regular C, D, AA, etc.) and rechargeable batteries from flashlights, toys, watches, hearing aids, stereo “boom boxes” and cordless telephones. No Automotive or Equipment Batteries.</p> <p>HOW: Place the batteries in a small recyclable container such as open soup or coffee cans next to your comingled (bottles and cans) collection containers.</p> <p>WHEN: Batteries are picked up on the same day as your recyclables.</p>
<p>HAZARDOUS WASTE</p> 	<p>Monmouth County has a permanent Household Hazardous Waste Facility. Residents may bring household hazardous waste to this facility located at 3211 Shafto Rd. Tinton Falls. An appointment must be made prior to bringing material to the facility. Call 732-922-2234 to schedule an appointment.</p>
<p>HOUSEHOLD GARBAGE</p> 	<p>WHAT: Garbage consists of material that originates from the kitchen, bed, or bathrooms; for example: Clothes, toys, flower pots, tissues, paper towels, food waste, pots & pans, toaster ovens, curtain rods and light bulbs (<u>excluding fluorescent bulbs SEE HAZARDOUS WASTE</u>).</p> <p>HOW: Maximum garbage can size is 45 gallons at the curb line, no more than 50 pounds per can; five (5) 36-gallon containers for back yard collection.</p> <p>WHEN: Garbage is picked up every Monday & Thursday or Tuesday & Friday. 45 gallon containers may be used for curbside collection only. Up to three 45 gallon containers of brush should be placed out for collection with household garbage. <i>All garbage must be placed at the curb line if you have more than five (5) 36-gallon cans.</i></p>
<p>PAINT & PAINT CANS</p> 	<p>EMPTY and dried paint cans should be disposed of with regular garbage. SMALL amounts of paint (one inch or less) can be handled by removing the lid and allowing the liquid to dry. Adding crumpled newspaper helps paint dry faster. Paint hardened cans may be treated as empty paint cans.</p> <p>Oil based paints and full cans of water based paint must be taken to the County-sponsored Household Hazardous Waste Facility (SEE HAZARDOUS WASTE) or donate the paint to non-profit groups or schools.</p>
<p>BULK TRASH & WOOD</p> 	<p>WHAT: Bulk trash includes: furniture, computers, televisions, wooden desks, mattresses & box springs, mirrors, plastic lawn furniture, windows, tires (no rims), and other large items.</p> <p>HOW: Wood/lumber: Set out in 45 gallon containers or tied and bundled -50 pound limit, Carpet & padding must be rolled & tied and no longer than 4 ft., 18 inches in diameter; large metal items such as appliances, lawn furniture, and bikes are picked up with metal pickup. Refer to METAL AND APPLIANCES.</p> <p>Construction material (sheet rock, floor tile, etc) - Three 45 gallon cans, Max. 50 pounds. Nails must be removed or hammered down. Maximum length of wood = 4 feet.</p> <p>WHEN: See schedule on page one.</p> <p>Contractor generated material is prohibited from municipal collection. Call for recycling electronics information.</p>
<p>ASPHALT SHINGLES</p> 	<p>The Township will pick up small amounts of asphalt shingles with BULK TRASH. They must be in a garbage can no larger than 45 gallon in size, 50 pound limit on each garbage can AND a limit of two garbage cans per <u>bulk trash</u> pickup. Shingles must be free of nails.</p>
<p>TIRES</p>	<p>Up to three (3) RIMLESS tires are picked up on bulk trash day. Metal tire rims are picked up with metal, refer to METAL AND APPLIANCES</p>
<p>CONCRETE, BRICK & ASPHALT</p> 	<p>The Township will pick up these materials curbside. Residents must call to be placed on the pick up list. Call 732-531-5000, ext. 362 or 363. You will be given further instructions at that time. Limit of one (1) cubic yard or equivalent of three (3) 45 gallon garbage cans. Keep the different types of materials separated from each other.</p> <p>Place loose at the curb in a manner not to create a traffic hazard - no more than 3 ft. from the curb.</p> <p>Material must be placed at least 10 feet away from a storm drain inlet</p> <p>Contractor generated material is prohibited from municipal collection.</p>
<p>APARTMENTS</p>	<p>By law, apartments must recycle the same items as single family dwellings. Check with Management to find out where drop off areas are and when collection service is offered.</p>

<p>MOTOR OIL, ANTIFREEZE, CAR BATTERIES</p> 	<p>These materials MUST be brought to the Monmouth County Household Hazardous Waste Facility See HAZARDOUS WASTE.</p> <p>Full service gas stations are required by law to accept used motor oil. Oil must be free of contaminants. Car batteries should be taken to a scrap yard where you can usually receive money for them. Local scrap yards are listed in the Yellow Pages.</p>
<p>LEAVES</p> 	<p>Leaf Collections are made according to the SCHEDULE in this newsletter (See next page). Place leaves LOOSE in piles at the curb line, taking care not to create a traffic hazard. Piles can be no wider than 5 feet from the curb line into the street.</p> <p><i>Leaves must be placed at the curb the week before scheduled pickup times. Leaves must not be placed in the street May through September. DO NOT</i> place leaves in or next to storm drains. Leaf piles must be placed at least 10 feet away from a storm drain inlet (per the NJ Stormwater Regulations) or you may be subject to a summons.</p> <p>Leaf piles must be free of all branches, brush, grass, weeds, old plants, pine needles, garbage and debris. Bagged leaves will not be picked up.</p>
<p>GRASS</p>	<p>The Township WILL NOT pick up grass at any time. Anyone placing cut grass, loose sod, dirt in the gutter, curbside or in storm drains is subject to a summons. Residents may bring their grass, free of charge, to the recycling center located at the west end of Sunset Ave. <u>Professional Gardeners / Landscapers</u> must pay an annual fee of \$300 per vehicle. Turf Specialists recommend grass clippings be left on the lawn or used for composting.</p>
<p>BRUSH AND BRANCHES</p> 	<p>October through April do not place loose brush curbside; brush is now to be placed in no more than 3- 45 gallon containers, 50 lbs or less, and may be set out with regular garbage. Loose brush will be collected by zone from May through September. Place loose brush curbside in lengths up to 4 feet; piles not to exceed 3 feet in height and not to extend more than 4 feet into the road. Brush must be placed at least 10 feet away from storm drains. Emergency collections will be made following storms. DO NOT place other debris such as garbage, weeds, flowers, or leaves with the branches and brush. See Weeds, Dirt & Plants.</p>
<p>WEEDS, PLANTS, DIRT</p> 	<p>Place weeds, plants, and other vegetation from garden and flower beds, in a container no larger than 45 gallons in size; five gallon containers for dirt. Set the containers out with your GARBAGE at the curb on pickup day. There is a two can limit and each can cannot weigh more than 50 pounds. OR Try composting! This is a great way to recycle leaves, kitchen waste and other organic materials. Compost bins are sold by the Township for \$25. Please call 732-531-5000, ext 364 for additional information.</p>
<p>RECYCLING DROP OFF CENTER</p> 	<p>The Recycling Drop Off Center is located at the west end of Sunset Ave. at the Public Works Garage. Direct all questions to the Public Works office at the municipal building during regular business hours. The Center is open from 7:30 a.m. to 3:00 p.m., Monday thru Friday (except holidays). From April 14 thru September 30, the Drop Off Center is open on weekends from 2 p.m.-5 p.m. and Tuesday and Thursday from 5 p.m. – 8 p.m.</p> <p>PUBLIC WORKS YARD IS NOW MONITORED BY SECURITY CAMERA</p> <p>NOTICE: Improper disposal of any material (such as: paint, oil, car batteries, tires, garbage, wood, leaves, brush, lawn furniture, electronics, items containing Freon etc. in the dumpster area will be treated as illegal dumping subject to fines. Violators will be issued a summons to appear in Municipal Court</p> <p>The following materials are accepted at the Drop Off Center. Please place the material in the appropriate area / dumpster. Do not place any bags in the dumpsters, use the receptacles provided.</p> <p>CORRUGATED CARDBOARD BOXES: Boxes should be free of any debris or wax coatings and FLATTENED. Up to 15 small to medium boxes are accepted per week.</p> <p>PAPER BAGS: Brown paper bags can be placed with the corrugated boxes.</p> <p>COMMINGLED BOTTLES AND CANS: Clean commingled glass, aluminum, tin and plastic containers are accepted. Limited to one (1) 45 gallon container.</p> <p>NEWSPAPER & MIXED PAPER: Two (2) 45 gallon containers of clean paper, free of debris, must be placed in dumpsters.</p> <p>GRASS: Dump loose grass, free of debris such as leaves, branches or garbage, in the “GRASS” dumpsters.</p> <p style="text-align: center;">Please place empty plastic bags in receptacles provided, not the dumpsters. Grass is accepted April 15 thru October 31.</p>

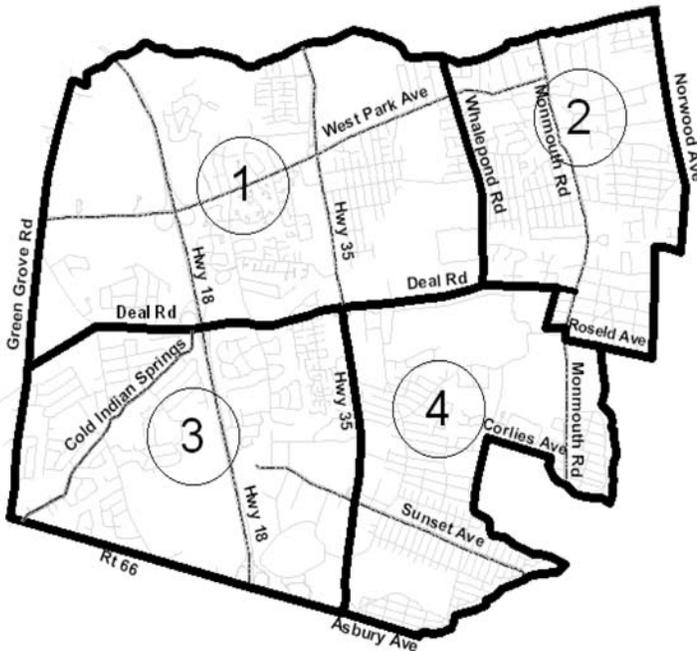

Brush Collection

October 1 through April 30 loose brush will not be collected and may not be placed in the street. Residents are required to put small amounts of brush material such as small branches and hedge and shrub clippings in regular garbage containers and place them out for regular garbage collection. Small amounts have been determined to be that which can fit into three or less 45 gallon containers.

Fall-Winter Leaf Collection Schedule

Zone	Place Curbside only at this time	Leaf Collection Only
Zone 1		
1st Collection	Sept 28 - Oct 4	October 5 - 9
2nd Collection	Oct 26 - Nov 1	November 2 - 6
3rd Collection	November 23 - 29	Nov 30 - Dec 4
Zone 2		
1st Collection	October 5 - 11	October 12 - 16
2nd Collection	November 2 - 8	November 9 - 13
3rd Collection	Nov 30 - Dec 6	December 7 - 11
Zone 3		
1st Collection	October 19 - 25	October 26 - 30
2nd Collection	November 16 - 22	November 23 - 27
3rd Collection	December 14 - 20	December 21 - 24
Zone 4		
1st Collection	October 12 - 18	October 19 - 23
2nd Collection	November 9 - 15	November 16 - 20
3rd Collection	December 7 - 13	December 14 - 18

Brush & Leaf Zones

Township Ordinance, Chapter X and NJ DEP mandate leaves may only be placed at the curb during the 7 day period prior to the scheduled pick-up dates. The Township will not collect leaves if mixed with brush, limbs, grass, trash or other debris. Leaves placed out during pick up week may not be collected. Leaf piles must be placed at least 10 feet from any storm drain inlet.

Homeowners are responsible for notifying lawn care specialists/landscapers of leaf collection schedules
All collection schedules may be found on our website, www.oceantwp.org and Ocean TV

Solutions to Stormwater Pollution

Easy Things You Can do Every Day To Protect Our Water

A Guide to Healthy Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water and that's why we're all doing something about it. By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

Properly use and dispose of hazardous products.

Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze and paints. Do not pour any hazardous products down a storm drain because storm drains are usually connected to local water bodies and the water is not treated. If you have hazardous products in your home or workplace, make sure you store and dispose of them properly. Read the label for guidance. Use natural or less toxic alternatives when possible. Recycle used motor oil. Contact your municipality, county or facility management office for the locations of hazardous waste disposal facilities.

Limit use of fertilizers and pesticides.

Do a soil test to see if you need a fertilizer. Do not apply fertilizers if heavy rain is predicted. Look into alternatives for pesticides. Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer. If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Don't litter.

Place trash in receptacles; Recycle. Participate in community clean ups.

Don't feed wildlife.

Do not feed wildlife, such as ducks or geese in public areas. Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

Keep pollution out of storm drains.

Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local water bodies. Do not let sewerage or other wastes flow into a stormwater system.

Clean up after your pet.

Many municipalities and public agencies must enact and enforce local pet waste rules. An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property. Make sure you know your town's or agency's requirements and comply with them. It's the law & remember to:

1. Use newspaper, bags or pooper-scoopers to pick up wastes;
2. Dispose of the wrapped pet waste in the trash or unwrapped in a toilet;
3. Never discard pet waste in a storm drain.

Dispose of yard waste properly.

Keep leaves and grass out of storm drains; If your municipality or agency has yard waste collection rules, follow them; use leaves and grass clipping as a resource for compost; Use a mulching lawn mower.
