

AFFIDAVIT

As required by Section 21-9.n of the Land Development Ordinance:

Upon completion of In-ground Pool permits issued, the home owner is made aware of the requirement to provide 2 sets of As-Built drawings with the \$250.00 initial submittal for engineering review and site inspection. The fee will be \$75.00 for each re-submittal or re-inspection.

Only after above items have been addressed, can home owner call for final inspections in order to obtain a Certificate of Approval by the Construction Official.

I have read and understand the above affidavit and will fully comply with the requirements set forth.

Non-Compliance will result in the issuance of a Notice of Violation and will be subject to penalties set forth by the Uniform Construction Code.
