

# Keeping Traditional Chinese Culture Alive

Discover the true China you may not have been aware of!

Join members of Shen Yun Promotions International (SYPI) on a journey that will capture the spirit of traditional Chinese culture and the beliefs behind its dance, music, martial arts, traditional medicine and writing systems. During this audio-visual program, you'll experience the grace of Chinese dance and the distinctly Chinese sound of ancient instruments.

SYPI is a not-for-profit organization with a mission to revive the authentic Chinese culture. It is the official presenter of the world class Shen Yun Performing Arts programs at Lincoln Center.
