

*The Community Hope Fund  
with assistance from The Township of Ocean  
Department of Human Services*

*Invite you to  
Adopt a Family  
This holiday season*

Each year, the people of the Township of Ocean help to brighten the holidays for families in need in our community.

Through the **Adopt a Family** Program, individuals, families, groups and businesses are matched with a local family in need to provide gifts, food and holiday cheer.

You have the opportunity of meeting the family or you can choose to remain anonymous.

Families of all sizes with children of all ages are hoping for some holiday joy in this time of economic struggle.

Please share the blessings of the holidays with another family in our community.

*If you are unable to adopt an entire family – you can still help.*

Individuals or groups can make a financial donation or purchase gift certificates/cards (grocery stores, Target, Kohls, etc.)

Please make checks payable to the “Community Hope Fund.”

For more information, or to adopt a family, please call the Department of Human Services at 732-531-2600, 601 Deal Road, Ocean, NJ.
