

Human Services Council/Alliance to Prevent Drug & Alcohol Abuse

The Human Services Council/Alliance to Prevent Drug & Alcohol Abuse is a group comprised of Township & School District professionals, representatives of the Governing Body and residents representing various professions and interests, who gather to further our support for the citizens of the Township of Ocean.

Community Services, Recreation, Police, schools, Board of Education, Mayor and Council – all working together with the volunteers who donate their time and effort to reaching out to improve life here in town. Senior citizen services, counseling, recreation programs, school aged child care, the Thanksgiving Food Drive and Holiday Adopt-a-Family program are all outgrowths of this body.

Please join us to lend ideas, voice a concern and/or volunteer for those programs to enhance the lives of all.

The group meets the first Wednesday of odd-numbered months in the West Park Senior Center. Specific dates are posted on the Township Calendar at www.oceantwp.org . All residents are welcome to attend and become a part of the group's efforts.
