"CAPS" CALCULATIONS

N.J.S.40A:4 - 45.1 et. seq. "The Local Government Cap Law" places limits on municipal expenditures. Commonly referred to as the "CAPS", it is actually calculated by a method established by the law.

In general the actual calculation works as follows. Starting with the figure in the 2014 budget for Total General Appropriations certain 2014 budget figures are subtracted; including the reserve for uncollected taxes, debt service, State and Federal aid, etc. Take the resulting figure and multiply it by 1.50% and this gives you the basic "CAP" or the amount of appropriations increase allowed over the 2014 Total General Appropriations. The Total General Appropriations may also be increased by 3.5%, if prior, to the introduction of the 2015 budget an index rate ordinance is approved by the governing body.

In addition to the increase allowed above, any increase funded by increase valuations from new construction or improvements is also allowed.

Also, the "CAPS" may be exceeded if approved by referendum. The actual "CAPS" for this municipality will be reviewed and approved by the Division of Local Government Services in the State Department of Community Affairs, but the calculations upon which this budget was prepared are as follows:

**2015
CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4 It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.
if no Capital Budget is included, check the reason why:

Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund,
Capital Line Items and Down Payments on Improvements.

_____ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi - year list of planned capital projects, including the current year.
Check appropriate box for numbers of years covered, including current year:

_____ 3 years. (Population under 10,000)

_____ x _____ 6 years. (Over 10,000 and all county governments)

_____ years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately
previous three years, and is not adopting a capital improvement program.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program that follows attempts to provide for the needs of the Township in the following areas:

Road Improvements, Improvements to Municipal Facilities including renovations to fairway # 4 at Colonial Terrace Golf Course, Oakhurst Park Meeting Room and tennis court rehabilitation; Public Works equipment acquisition and replacement; office computer systems acquisition and replacement; and public safety equipment. The 2015 portion of the Capital Budget identifies the needs of the community for this year. Future year projections are based upon both needs presently known as well as anticipated. In future Capital Improvement Programs, it may be appropriate to change or modify the scheduling, estimated cost, or the inclusion or exclusion of an item in the program.

Past Capital budgets have been assisted through the receipt of grants that reduce the debt requirements funded with real estate tax revenue. Recent large capital grants include a variety of Department of Transportation Trust and Community Development Block Grants. In addition, FEMA, Open Space, Green Acres and Blue Acres grants will be available to the Township to assist in the purchase and development of certain properties. The aggressive use of grant programs is anticipated to continue in the future.

Major capital projects presently underway which have been funded from past authorizations and grants include phase V reconstruction of Sunset Avenue, and various other roadway improvements throughout the Township, the purchase of a portion of the Poplar Village Senior Housing complex, improvements to the West Park Avenue Recreation and Senior Center, Town Hall renovations and various equipment replacements. In addition to the standard future capital needs, other facility and building renovations, recreational improvements and an ambitious road resurfacing program will continue.
