

Be involved. Transplant hope.

Join the Be The Match Registry®

Patients need you! For thousands with blood cancers like leukemia or other diseases like sickle cell anemia, a marrow transplant is their only hope for life. If you have diverse ancestry, patients especially need you because they are most likely to match someone who shares their heritage.

The Township of Ocean Police Department is hosting a donor event for one of their own, Deborah Fromkin, who is a longtime member of the departments clerical staff. Debbie was diagnosed with Myeloproliferative Disorder, a form of blood cancer, as well as Luekemia and is in need of a bone marrow transplant.

There are 234 patients in NJ who need a marrow donor to give them a chance for a cure just like Debbie. 70% of these patients do not have a donor match in their family, but there is hope, and it comes from people like you!

Step UP! And be counted. Join us in bringing hope to the many people with blood cancers. You could be their CURE.

It's just a cheek swab!!

Marrow Donor Registry Drive, Ages 18 to 44.

Date: Friday, January 29, 2016

Time: 11:00 am - 3:00 pm

Location:

Township of Ocean Municipal Court
399 Monmouth Road
Oakhurst, NJ 07755
